SHADHIN GROUP

Message from Management

Shadhin Group is a well-recognized name in Textile industry and being a symbol of Commitment, quality and Scheduled delivery is a real pride for the company's Management.

Business is and always has been a dynamic & diversification process. Blessings of The Almighty God, we take the opportunity to step new dimension to textile knit composite unit with the State of Art of modern machinery's manufacturing of fashionable knit products under a single roof.

We are successfully materializing our dreams with each step towards a new direction, holding ourselves ready to meet the future challenges for the world-renowned buyers.

We are reasonable and accountable to all concerned with whom we deal; namely: our business associates, our respectable customers and our employees.

The motto of the **Shadhin Group** is

"CUSTOMER SATISFACTION AND THE COMMITMENT WITH QUALITY ASSURANCE"

Knitting

Our modern Knitting Machines produce flawless fabrics, which undergo strict quality inspection before further processing. Our knitting plant has a capacity of 6000 kgs/day. Possible fabrics are single jersey, pique, fleece, interlock, auto stripes with lycra, ribs with lycra, etc. We also have Flat Collar Knitting Machine.
