Sh. Barun Bose.  
109/95 Model Houses.  
Lucknow 226 001.

Dear Shri Bose.

This has a reference to letter No.8/31/95/TU dated 12.6.1995 from Dr.H.R.Bhojwani, Adviser (TU), CSIR addressed to you and copy endorsed to me. In response to this communication, you are invited to deliver a lecture on vegetable dyes and have discussion with our scientists already working on vegetable dyes from the plants mentioned. Your discussion with our scientists might result in working out suitable modalities for collaboration to take up joint scale up studies. We do have requisite pilot plant facilities. Please let us know the date which is convenient to you.

Our Institute will bear the expenses of your TA/DA for your visit.

With regards.

Yours sincerely.

*S. S. Handa*
